

INDIVIDUAL SETS

\$825 EACH

Individual Sets can be used in up to 4 locations but are customized with a single logo, address, phone number, and website address.
Each Individual Set includes:

- 1 Vascular Man poster and 1 Vascular Woman poster
- 5 Vascular Man tablets and 5 Vascular Woman tablets
- Personalization with one practice logo and address

Posters

Posters are full-color, 2' x 3' in size, and feature medical illustrations of the vascular system on both male and female models.

Tablets

Tablets are full-color, 8" x 11" in size, and have 50 sheets in each. The artwork is identical to the male and female posters.

Multiple-Languages

Individual sets can be ordered in English, Spanish, Korean, and Armenian.

The Vascular People images are copyright protected by Banahan Communications. Purchasing a Vascular People set enables you to use the materials in your practice for education purposes. You are not permitted to duplicate or use the materials in any way for advertising and promotion.

ORDER NOW

To order Individual Sets complete the order form below and submit with payment and your logo in electronic format. Individual Sets can be also ordered online at IncreaseVascularVolume.com.
